**ORDER:**

In the G.O. 1<sup>st</sup> read above, orders were issued enhancing of Tender Premium from 5% to 10% in respect of Under Ground Drainage works under UIDSSMT and JNNURM in order to ensure expenditure of the works sanctioned under these schemes. Further in the G.O. 2<sup>nd</sup> read above, orders were also issued enhancing the tender premium from 5% to 10% for all Under Ground Drainage works taken up in Municipal Sector irrespective of the schemes.

2. In the G.O. 3<sup>rd</sup> read above, orders were issued enhancing the Tender Premium up to 10% for the pending Storm Water Drainage works under JNNURM on par with Under Ground Drainage works in respect of Vijayawada Municipal Corporation and Greater Visakhapatnam Municipal Corporation based on the proposals submitted by them.

3. The Commissioner, Greater Hyderabad Municipal Corporation in the reference 4<sup>th</sup> read above, has reported that the GHMC has taken up improvement of Storm Water Drains costing Rs.142.37 crores for 4 major nalas sanctioned under JNNURM and further reported that the execution of Storm Water Drain in urban area is critical in nature and may not work out for the bidders with excess tender premium up to 5%, due to variation in SSR and market rates, inaccessibility, unhygienic conditions to work in sullage water in Nalas. Further, execution is possible only in small reaches due to protest from public and diversion of existing nala on urban roads is also a tough task during execution. He has also reported that orders were issued enhancing the tender premium up to 10% in respect of Storm Water Drainage works of VMC and GVMC and requested to enhance the tender premium from 5% to 10% for the project works of Storm Water Drains sanctioned under JNNURM on par with VMC and GVMC in respect of GHMC also considering above facts.

5. The Government after careful examination and in consultation with Managing Director, APUFIDC, hereby order to enhance the tender premium from 5% to 10% for the project works of Storm Water Drains only sanctioned under JNNURM in respect of GHMC.

6. The Commissioner, GHMC shall take further necessary action in the matter.
